다음 글의 내용을 한 문장으로 요약하고자 한다. 빈 칸에 들어갈 말로 가장 적절한 것은?

Abraham Lincoln is one of the greatest American presidents. He is still very popular, and Americans respect him very much. You can see his face on 5 dollar bills. Also, there are a lot of books about him. He was an honest man but not successful from the beginning. He couldn't finish his elementary school because he was very poor. When he was young, he had just a small grocery store in his house. In spite of a lot of difficulties, he became the president of the United States. He promised to free black slaves and did what he said. He never told lies to his people. He was honest in everything, and even his enemies came to respect him.

Lincoln gives us an important lesson that

\_\_\_\_\_.

- ① success surely comes
- ② honesty is the best way
- ③ respect comes from enemies
- ④ we can do anything in our dreams
- ⑤ we should make friends with our enemies

In a small town, there was a barbershop. The barber knew that he could get a present for a free haircut. One day, a florist went to the barbershop for a haircut. After getting a haircut, (a)he took out his wallet to pay for the haircut. But the barber didn' t take the money, saying, "As a service for the neighbors, (b)I cut the hair of my first twelve customers each day for free." The next morning, the barber got a "Thank You" letter and a dozen of roses from the florist.

On the following day, a policeman visited the barbershop and had a haircut. This time, (c)the barber also didn' t take the money from the policeman and said, "As a service for the neighbors, I cut the hair of my first twelve customers each day for free." The policeman gave (d)him a dozen of doughnuts in the afternoon.

The next morning, a famous baseball player went to the barber-shop and had a haircut. The barber didn' t take any money from the baseball player. (e)He said again, "As a service for the neighbors, I cut the hair of my first twelve customers each day for free." The baseball player left the shop whistling and came back there with eleven players in the same uniform.

(A) Michael is a student at New York University. His professor gave homework to his students. Every student should make something useful for people. Michael decided to make a new alarm clock.

(B) So Michael invented a new alarm clock. It looks like a pig and doesn't make any noise. It uses the smell of bacon to wake up people. He used halogen light bulbs to make the smell. He said, "Don't worry. My clock doesn't use fire to make the smell. And the alarm turns off after ten minutes."

(C) He explained how to use his new alarm clock. “Just put one or two pieces of bacon on the halogen light bulbs and set the alarm. Ten minutes before the alarm, the halogen light bulbs turn on and begin to cook the bacon, and you can smell of the bacon at your set time.”

(D) “Many people need an alarm clock to wake up in the morning. But they don’ t like the noise from their alarm clock.” He thought. He asked many people, “What would you like to wake you up in the morning? A noisy clock or something different?” People said,  
“ !”
